

## YOUR INVITATION

.....

**Healthy Waterways invites you to attend the 2015 Report Card launch on:  
Thursday 22 October 2015 at 11.30am to 12.30pm.**

This year, Healthy Waterways has evolved the Monitoring Program and Report Card to assess the benefits the community receives from our waterways, and the actions they undertake to protect and improve waterway health.

This holistic approach to reporting will provide the insight and information to drive best-practice waterway management to achieve environmental outcomes and enhance the community's quality of life.

The Report Card launch is a culmination of 12 months of scientific monitoring throughout the region, with results independently assessed and verified by a panel of scientific experts.

The launch is held simultaneously in four locations across South East Queensland:

LAUNCH	HOST	VENUE
Central	Healthy Waterways	Riverlife Centre Kangaroo Point, Brisbane, QLD 4169
Southern	Seqwater	Hinze Dam (Function Room) Advancetown Rd, Gold Coast, QLD 4217
Western	Ipswich City Council	Riverlink Shopping Centre (Bradfield Bridge Courtyard) Cnr Downs Street & The Terrace, Ipswich, QLD 4305
Northern	Sunshine Coast Council	Leach Park Short Street (off Landsborough Parade), Golden Beach, QLD 4551

Register to attend your local launch **before Friday 16 October** to  
[reportcard@healthywaterways.org](mailto:reportcard@healthywaterways.org) nominating your launch location.
